# Intramuscular Menu

**B12:** Boosts energy & red blood cell production, decreases fatigue & lethargy, and helps regulate sleep, mood, & appetite cycles.

**MICC:** Boost energy, helps with fat burning, and increases stamina and endurance.

Helps Break down sugars and Carbohydrates and converts to energy.

Ingredients: Methionine, Inositol, Choline Chloride, and B12.

**B-Complex:** Boosts the immune system, decreases stress and anxiety, reduces inflammation, supports healthy memory and brain function, enhances cardiovascular health, encourages a healthy metabolism, and aids in sleep.

Ingredients: B1, B2, B3, B5, and B6.

**Amino Blend:** Boosts metabolism, increases energy levels & endurance, helps burn fat, and gives your body essential amino acids it needs to stay healthy.

Ingredients: Glutamine, Ornithine, Arginine, Lysine, and Citrulline.

**Mineral Blend:** Helps the body reverse the effects of dehydration, removes toxins, supports energy levels and helps improve cellular function and rejuvenation.

Ingredients: Magnesium, Zinc, Manganese, and Copper.

**Vitamin D3:** Regulates mood & wards off depression, facilitates normal immune system function, and regulates calcium absorption.

**Biotin Glow:** Important for skin, hair, and nail health, plays a crucial role in carb fat & protein metabolism, helps flush the lymphatic system, master detoxifier, and boost energy and stamina.

Ingredients: Biotin, Glutathione, and B12.

**Glutathione:** Helps flush the lymphatic system, master detoxifier, reduces muscle recovery time, helps with fat burning, increases strength & endurance, reduces oxidative stress and cell damage in fatty liver disease.

**Tri-Immune Boost:** Power packed immunity blend made up of Glutathione, Vitamin C, and Zinc. This high concentration blend of immune boosting essentials is the ultimate immune system enhancer to help maintain a healthy immune response.

**Performance Recovery:** Promotes athletic recovery and performance, helps maintain & build muscle, aids in preventing muscle breakdown, boosts energy and stamina, and supports endocrine function.

Ingredients: Amino Blend and B12
